

ASSET MANAGEMENT TOOLKIT

Why FMSS Data Matters

GOALS: *At the end of this session, students should be able to:*

- Explain why FMSS data matters and how it is used

WHAT DO I NEED?:

- Data Counts Infographic

FLOW:

- The NPS, along with all other federal agencies, has a responsibility to ensure that all property entrusted to the federal government is well managed and wisely used to achieve the desired results.
- FMSS data is used by the NPS as a whole, the Department of the Interior, and outside of the department (Congress, OMB).
- Data needs to be complete and accurate.
- Review the Data Counts Infographic.
- Discuss how congress has used our FMSS data to make decisions.
- Discuss how park uses FMSS data in annual work planning.

FACILITATOR NOTES:

- *Is there anything in particular you need to remember? Include it here as a reminder to yourself.*
- *Put the infographic on the wall or bulletin board where they can see it.*
- *Ask them to take the Foundations of Asset Management e-course.*
